

Dear Artist,

Thank you for your interest in having an art exhibition at Holden Village! We are happy to have a unique setting for a gallery within our community, and thrilled to have artists from all over the United States and the world wanting to share their work here.

Additional Questions:

Why is this space at Holden a good fit for your art?

Would you be willing to have an artist's talk at the show opening?

Please be aware that dates and schedules are flexible & influenced by other Village activities, holidays, and transportation schedules. Your preferred dates are just that – we will contact you with options if your proposal is accepted. Shows generally hang for two months. To learn more about the uniqueness of Holden Village, please visit: www.holdenvillage.org

You will need to make arrangements for your artwork to be shipped to Holden, or for you to accompany it. Please see the website to understand our remote location and transportation arrangements. Holden Village will cover costs for up to two nights' lodging – everything else (boat and lodging, parking and travel, shipping to and from the Village, artwork insurance) will be your responsibility.

After completing your proposal, please email it to arts@holdenvillage.org and attach relevant images, with the proposed exhibition title in the subject line. Limit the size of the email to 2MB, or include a link to photos of your work. Our network is limited, and a larger file may not come through for a long time. You may send multiple emails, but please label them in the subject line accordingly.

Thank you for your interest!
