Holden Village: Vision, Mission, and Core Values

The Vision of Holden Village is the love of God making new the church and world through the cross of Jesus Christ.

The Mission of Holden Village, a Lutheran ministry, is to welcome all people into the wilderness to be called, equipped and sent by God as we share rhythms of

- Word and sacrament
- work, recreation and study
- intercession and healing.

Holden Village Core Values WORSHIP: We are grounded and united in daily Gospel-centered worship. **THEOLOGY:** We interpret Word, sacrament, and daily life through the Lutheran theology of the cross. **HOSPITALITY:** We offer lavish hospitality to all. **VOCATION:** We believe that God calls all persons to love and serve God and neighbor. **DIVERSITY:** We celebrate the unity and diversity of all God's children. **GRACE:** We offer ourselves to one another in mutual forgiveness, conversation and respect. **SHALOM:** We trust God's mercy as we pray and work for justice and peace. **ECOLOGY:** We celebrate and seek to serve creation's wellbeing through faithful patterns of daily living. **GIFTS:** We express gratitude to God for extravagant gifts of creativity, imagination and ingenuity in all who volunteer. **STUDY:** We value critical thinking, provocative discussion, and the integration of learning and experience. **REST:** We embrace God's gift of sabbath by offering refreshment to those who are weary. **PLACE:** We commit to be grateful stewards of the surprising gift of Holden Village and its place in the wilderness. **COMMUNITY:** We believe that the Holden community includes all who care for Holden through their labor, gifts and prayers. **HILARITY:** We love that holy hilarity returns us to the joy and freedom of the Gospel, which alone overcomes all our lapses of mission, strategies, goals, garbology, dishteam, work, and relationships.

Holden Village Volunteer Staff Covenant

- **WORSHIP** - calls us to our purpose and identity as a community. As Villagers, we all agree to the discipline of attending daily worship.
- **HOSPITALITY** - Whatever one's position on staff, one of our primary ministries is hospitality to all people who step off the bus and into life at Holden. This includes sharing meals with strangers, engaging in conversation, and reaching out to one another through a kind word or deed.
- **VOLUNTEER WORK and VILLAGE RESPONSIBILITIES** – Our volunteer service is a combination of the positions we fill in the Village as well as the additional roles that contribute to our common life together.
 - Positions are assigned prior to arrival and based on your preferences and the needs of the Village (approx. 36hrs/week). Flexibility is important both for you and for the Village; the lead staff person will coordinate your weekly schedule and you may be asked to shift positions to respond as needs in the Village change.
 - All volunteers serve in a variety of roles supporting common Village life (approx. 4 hrs/week). This includes dish team, garbology, and stoking rotations (in the winter), as well as additional roles, such as first response team, fire brigade, assisting at the Holden school, helping with worship, store inventory, etc. Position responsibilities and activities are to be scheduled around these tasks.
- **STAFF MEETINGS** - The entire Holden staff meets to introduce newly arrived volunteers, say goodbye to departing ones, discuss important issues, and share information relevant to life in the Village. Volunteers are expected to attend all staff meetings during their stay at Holden.
- **VILLAGE SAFETY** - All volunteer staff members are expected to participate in maintaining a safe environment, to follow Village safety policies, and abide by the law while on staff:
 - No drinking to excess, drunkenness, or binge drinking.
 - No drinking of alcohol by persons under 21.
 - No provision of alcohol to anyone under 21.
 - No use or possession of illegal drugs (including marijuana).
 - No possession or use of firearms, including those for hunting purposes.
 - No harassment and/or assault of any staff member or guest.
 - All staff members must be ready to respond in emergency situations.

Violation of any of the above is reason for immediate dismissal from the Village.

I have read and understand Holden's mission and the volunteer staff covenant. I understand that I am a volunteer member of the staff; and that no term as a volunteer is guaranteed. In order to maintain the staffing flexibility that is essential to the successful management of the Village, as well as to protect the options of each volunteer, it is understood that either Holden or the volunteer may terminate the volunteer status at any time before the agreed upon departure date.

Health and Wellness Form

Today's Date: _____

About Holden Village

Holden Village is located in the wilderness and we are neither prepared nor equipped to provide ongoing primary health care. We make every effort to have a medic available for first aid/emergency care, but there may not always be licensed medical personnel onsite. Prompt evacuation is not always possible. Careful planning and prevention on your part is necessary: Holden Village is at least 4 hours and in the winter up to 4 days from emergency medical care.

About This Form

Holden Village asks about certain health issues out of respect for the needs of each individual and for the needs of the Village. Past medical history (with physical and/or mental health concerns) does not restrict you from volunteering; however, your openness to discussing these issues helps Holden know how to best address any health concerns that may arise if you reside in the Village. We ask these questions so that we can understand your needs and so that you can learn about the support Holden is able to offer you and what is beyond our ability to support. Please complete this form with honesty and accuracy, to the best of your knowledge. This form will only be shared with the Holden Village Medic or Medical Director, who will give their recommendation to the Staffing Committee if deemed necessary. Please use an additional sheet if you need extra space to write. If you have any questions, please contact Holden's Medic at: medic@holdenvillage.org.

**Holden Village Tetanus Prevention: Tetanus boosters are normally advised every 10 years. However, if one has a risk injury such as stepping on a nail or getting a deep sliver, the recommendation is to get another booster within 72 hours of the injury if it has been more than 5 years since the last booster. Due to Holden's remote location it may not be possible to get to a doctor within 72 hours and 2-4 days would need to be spent out of the Village. Because of this, Holden requests that those who will be volunteering when the boat does not run on a daily basis (October 15 – May 1), get tetanus or TDaP boosters every 5 years.*

Allergies:

Have you ever had a systemic allergic reaction to bee stings, food, or medicine? Circle **Yes** or **No**

DISCLOSURE & AUTHORIZATION FOR CONSUMER REPORTS

Please read the following statements carefully.

Para información en español, visite www.consumerfinance.gov/learnmore o escribe a la Consumer Financial Protection Bureau, 1700 G Street N.W., Washington, DC 20552.

A Summary of Your Rights Under the Fair Credit Reporting Act

The federal Fair Credit Reporting Act (FCRA) promotes the accuracy, fairness, and privacy of information in the files of consumer reporting agencies. There are many types of consumer reporting agencies, including credit bureaus and specialty agencies (such as agencies that sell information about check writing histories, medical records, and rental history records). Here is a summary of your major rights under FCRA. **For more information, including information about additional rights, go to www.consumerfinance.gov/learnmore or write to: Consumer Financial Protection Bureau, 1700 G Street N.W., Washington, DC 20552.**

You must be told if information in your file has been used against you. Anyone who uses a credit report or another type of consumer report to deny your application for credit, insurance, or employment – or to take another adverse action against you – must tell you, and must give you the name, address, and phone number of the agency that provided the information.

You have the right to know what is in your file. You may request and obtain all the information about you in the files of a consumer reporting agency (your “file disclosure”). You will be required to provide proper identification, which may include your Social Security number. In many cases, the disclosure will be free. You are entitled to a free file disclosure if:

- a person has taken adverse action against you because of information in your credit report;
- you are the victim of identity theft and place a fraud alert in your file;
- your file contains inaccurate information as a result of fraud;
- you are on public assistance;
- you are unemployed but expect to apply for employment within 60 days.

In addition, all consumers are entitled to one free disclosure every 12 months upon request from each nationwide credit bureau and from nationwide specialty consumer reporting agencies. See www.consumerfinance.gov/learnmore for additional information.

You have the right to ask for a credit score. Credit scores are numerical summaries of your credit-worthiness based on information from credit bureaus. You may request a credit score from consumer reporting agencies that create scores or distribute scores used in residential real property loans, but you will have to pay for it. In some mortgage transactions, you will receive credit score information for free from the mortgage lender.

You have the right to dispute incomplete or inaccurate information. If you identify information in your file that is incomplete or inaccurate, and report it to the consumer reporting agency, the agency must investigate unless your dispute is frivolous. See www.consumerfinance.gov/learnmore for an explanation of dispute procedures.

Consumer reporting agencies must correct or delete inaccurate, incomplete, or unverifiable information. Inaccurate, incomplete, or unverifiable information must be removed or corrected, usually within 30 days. However, a consumer reporting agency may continue to report information it has verified as accurate.

Consumer reporting agencies may not report outdated negative information. In most cases, a consumer reporting agency may not report negative information that is more than seven years old, or bankruptcies that are more than 10 years old.

Access to your file is limited. A consumer reporting agency may provide information about you only to people with a valid need – usually to consider an application with a creditor, insurer, employer, landlord, or other business. The FCRA specifies those with a valid need for access.

You must give your consent for reports to be provided to employers. A consumer reporting agency may not give out information about you to your employer, or a potential employer, without your written consent given to the employer. Written consent generally is not required in the trucking industry. For more information, go to www.consumerfinance.gov/learnmore.

DISCLOSURE & AUTHORIZATION FOR CONSUMER REPORTS

Please read the following statements carefully.

You may limit “prescreened” offers of credit and insurance you get based on information in your credit report. Unsolicited “prescreened” offers for credit and insurance must include a toll-free phone number you can call if you choose to remove your name and address from the lists these offers are based on. You may opt out with the nationwide credit bureaus at 1-888-5-OPTOUT (1-888-567-8688).

The following FCRA right applies with respect to nationwide consumer reporting agencies:

CONSUMERS HAVE THE RIGHT TO OBTAIN A SECURITY FREEZE

You have a right to place a “security freeze” on your credit report, which will prohibit a consumer reporting agency from releasing information in your credit report without your express authorization. The security freeze is designed to prevent credit, loans, and services from being approved in your name without your consent. However, you should be aware that using a security freeze to take control over who gets access to the personal and financial information in your credit report may delay, interfere with, or prohibit the timely approval of any subsequent request or application you make regarding a new loan, credit, mortgage, or any other account involving the extension of credit.

As an alternative to a security freeze, you have the right to place an initial or extended fraud alert on your credit file at no cost. An initial fraud alert is a 1-year alert that is placed on a consumer’s credit file. Upon seeing a fraud alert display on a consumer’s credit file, a business is required to take steps to verify the consumer’s identity before extending new credit. If you are a victim of identity theft, you are entitled to an extended fraud alert, which is a fraud alert lasting 7 years.

A security freeze does not apply to a person or entity, or its affiliates, or collection agencies acting on behalf of the person or entity, with which you have an existing account that requests information in your credit report for the purposes of reviewing or collecting the account. Reviewing the account includes activities related to account maintenance, monitoring, credit line increases, and account upgrades and enhancements.

You may seek damages from violators. If a consumer reporting agency, or, in some cases, a user of consumer reports or a furnisher of information to a consumer reporting agency violates the FCRA, you may be able to sue in state or federal court.

Identity theft victims and active duty military personnel have additional rights. For more information, visit www.consumerfinance.gov/learnmore.

States may enforce the FCRA, and many states have their own consumer reporting laws. In some cases, you may have more rights under state law. For more information, contact your state or local consumer protection agency or your state Attorney General. For information about your federal rights, contact:
