

# HIKER'S NOTICE – HOLDEN VILLAGE RESTRICTIONS

Due to Covid-19, all Holden Village facilities and roads are closed to guests/visitors for the Summer 2020. Due to the remote location of Holden Village and limited access to medical services – Holden Village is endeavoring to limit Covid-19 exposure to the high risk population that resides here.

For this reason, we inform hikers of the following information:

1. **There are no services available at Holden Village to hikers.** This includes transportation, food service, snack bar, laundry, or lodging. All facilities are closed to visitors.
2. Hikers must utilize bypass routing around the Village, in order to minimize exposure to Holden Staff.

- **Through hikers**

South Bypass: Bypass Road, Railroad Creek Trail, and Vehicle Bridge  
(see attached map –  
**Highlighted in Purple Route).**

- **Ten Mile Falls, Monkey Bear Falls and Winston trails**

North Bypass using Village Loop  
(see attached map –  
**Highlighted in Teal Route).**

3. Please practice social distancing (6') in encounters with Holden Village staff.
