

Support Holden Village!

September 30 – October 4, 2020

Holden Village is excited to announce a new twist on an old tradition – a Jubilee Auction – online! Get ready to support Holden while bidding on some amazing items and experiences you won't find anywhere else, including: guided hikes; paintings, prints, pottery, and other art; dinners and wine tastings; personal concerts; cabin stays; gift baskets; and more! You will also have the opportunity to fund other special projects. Join us virtually from **Wednesday, September 30th – Sunday, October 4th**.

Located near Chelan, Washington, Holden Village is a former copper mining town that has been transformed into a vibrant place of year-round education, programming, and worship. Holden Village invites people of all ages to come and experience our rhythms, which inspire and equip travelers to continue a sustainable life of faith outside the Village.

Your support of the auction is especially appreciated now that Holden Village is closed to paying guests during the pandemic. Your gifts are what will keep the Village running until gathering in person is possible and the Village can once again welcome all who seek contemplation and community in the remote wilderness of the beautiful Cascade Mountains.
