2023 HOLDEN VILLAGE GROUP COVENANT

Please keep the following in mind while planning for a group stay at Holden Village:

Definition. Holden Village consider a group to be:

15-40 people (May 1-Oct 15); 15-25 people (Oct 16- Apr 30);
 Staying a minimum of 5 nights;
 Arriving and departing on the same dates;

Paying with a single check or credit card; and
 agreeing to abide by the spirit of this Holden Village
 Group Covenant

Welcoming Groups. Holden welcomes groups of various sizes, ages, and interests throughout the year. We encourage this by offering reduced pricing, helping group organizers with reduced/free stays, and coordinating the group registration process.

Youth Groups. Holden is an adult and family retreat center, with a very busy and well-attended summer program and activity schedule. Therefore, we typically do not accommodate youth groups during the summer season (June – August). Instead, Holden can welcome youth groups for special service events during school breaks like Spring Break and during the spring and fall.

Living in Community. In welcoming large groups, Holden acknowledges that exclusive events can impact the cohesion of the community as a whole. To maintain vibrant and inclusive community life, Holden seeks to balance group, family, and individual registrations – particularly during the busy summer season. However, to ensure that your group and other Villagers get the most out of their experience in the Village, we need your help.

In accordance with our mission of inclusive community we respectfully ask that groups:

Attend nightly worship, intermingle with other guests at meal times and participate in Holden’s programs.

Not arrange multiple programs or events exclusively for your own members. This would include special Bible studies and worship events to which other Villagers are not invited.

Your group host can help you arrange a space for one evening allotted to specific group activities that you arrange.

Not excessively identify themselves with special clothing, hats, etc.

Health and Wellness. All visitors are encouraged to be vaccinated against COVID-19 before arriving in Holden Village. Find our community health practices and protocols at www.holdenvillage.org.
