Holden Village 

ABOUT THE VILLAGE

Located in the heart of Washington's North Cascades Mountains, Holden Village is a retreat center that offers visitors a unique opportunity to step into the wilderness to form and renew their relationship with God, the earth, and each other.

Since 1962, Holden Village has transformed a former copper mining town into a vibrant community of education, programming, recreation, and worship where everyone is welcome and embraced.

THINGS TO DO: Engage in art and pottery, attend classes, explore the surrounding trails, and so much more!

Bring your spirit of adventure, pack your sense of humor, unplug from your daily to-dos, and connect with yourself and others!
