Part V, Line 4 - Intended Uses Of Endowment Fund

There are three endowment funds (Haertel, Byberg, and Thiel) that are invested with the Evangelical Lutheran Church in America (the ELCA or the Church) Endowment Fund Pooled Trust (the Trust). The balance of Holden Village's endowment funds are invested with a third-party advisor.

The ELCA Trust's investment objective is to provide participants with a stable stream of investment income with long-term capital appreciation, while assuming a moderate

level of investment risk. The Trust's assets are invested in a diversified portfolio that places a greater emphasis on equity based and fixed income investments and in a manner that is intended to produce results that exceed the investment's benchmark by 35 basis points over rolling five-year time periods. Actual returns in any given year may vary from this objective.

The endowment funds not held at the ELCA are invested with a wealth management firm. The overall financial goal for management of these funds is to preserve real (inflation-adjusted) purchasing power after accounting for spending, inflation, and costs of investment management. There are permanently restricted funds for which the goal is to protect principal and permanently donor restricted assets as to endow Holden Village with sufficient income and long-term asset preservation to cover future funding needs. There are board-designated funds for which the goal is to preserve capital on dedicated assets while achieving growth returns commensurate with a higher risk, long-term profile portfolio in excess of those funds. The Investment Committee and Board reviews, no less than annually, whether the performance of the funds is meeting the objectives.
